

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have come on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our impaired and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

Do Ghosts Haunt Swamps?

No, Never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove

The greatest enemy of childhood is the tape worm and similar parasites. They are the direct cause of the loss of thousands of children who were so weakened by the pernicious action of these pests that they became easy victims of disease. The best protection against worms is to give the children an occasional dose of WHITE'S CREAM VERMIFUGE. It not only removes worms, but acts as a general tonic in the stomach and bowels.
